

AttendEase

Format of Data Required

1. PROGRAMME DATA

Required on Urgent Basis

Details Needed:

- Programme Name
- Semester
- Course Name
- Course Type
- Number of Batches to be Formed for the corresponding course and course type.

1. **The Number of Batch Requirements can be updated later once the number of (estimate) admissions is available for the course.**
2. **The batch numbers to be aligned based on the course type too.**

For Example: One course has a practical that will have to be conducted in 2 batches whereas One course has a Tutorial that will be conducted in a single batch.

File Type Required:

Google Sheets

Dummy Data for Reference:

✚ Program Course Data Records

Duplicate the file if Required

programName	semester	courseName	courseType	batchesNeeded
Bachelor of Science Data Science	1	Probability Theory	Theory	1
Bachelor of Science Data Science	1	Probability Theory	Tutorial	1
Bachelor of Science Data Science	1	Web Programming	Theory	1
Bachelor of Science Data Science	1	Web Programming	Practical	2
Bachelor of Science Data Science	3	Database concepts	Theory	2
Bachelor of Science Data Science	3	Database concepts	Practical	3
Bachelor of Science Data Science	3	Digital Logic Electronics	Theory	2
Bachelor of Science Data Science	3	Digital Logic Electronics	Theory	4
Bachelor of Science Data Science	5	Oracle PL/SQL	Theory	1
Bachelor of Science Data Science	5	Oracle PL/SQL	Practical	2
Bachelor of Science Data Science	5	Information Security	Theory	1
Bachelor of Science Data Science	5	Information Security	Practical	2

2. TEACHERS DATA

A live file Required that Reflects all Teacher-to-Subject- Allocation as and When Occur

Details Needed:

- First Name
- Middle Name
- Last Name
- Email Id
- Is Teacher actively engaged in teaching?
If yes, then “**true**” else “**false**”.
- Is the Teacher a Visiting Faculty?
If yes, then “**true**” else “**false**”.
- Semester they are teaching.
- Course Name
- Course Type
Theory / Practical / Tutorial
- Programme Name
- Batch Numbers Assigned

1. Note that the Course Name and Programme Name must match with the course data provided precisely.
2. All **Yes / No** Questions to be answered in **true / false** format only.

File Type Required:

Google Sheets

Dummy Data for Reference:

 **Teacher Data Records**

Duplicate the file if Required

3. **STUDENTS DATA**

Details Needed:

- Email Id
- Last Name
- First Name
- Middle Name
- Semester
- Courses

A comma separated list in a single cell

- Course Type

A comma separated list in a single cell wrt the Course

- Programme Name
- Seat Number

1. Note that the Course Name and Programme Name must match with the course data provided exactly.
2. Each course must be associated with a course type.
In case of one course being associated with multiple course types,
enter the course and the course type that many times.

File Type Required:

Live Google Sheets file

Due to new rolling admissions, please provide with the Live Sheets.

Dummy Data for Reference:

📄 Student Data Records

Duplicate the file if needed
